

## INDEX

A large amount of additional information is contained in footnotes. These are indicated in the index by the italicised letters *fn*.

In, for instance, 25*fn*, the reference is to a footnote only. In 11 + *fn*, the reference is to both main text and footnote.

In, say, 14–15 + *fn*, there is germane material in footnotes on both pages, as well as across the two pages of text. Illustrations are indicated by *ill*.
